Technical Courses Completed:

2021	Ecollege	Microsoft Technology Associate Python
2021	Kildare/Wicklow ETB	Microsoft Technology Associate HTML/CSS
2021	Kildare/Wicklow ETB	Microsoft Technology Associate JavaScript

Other Education

2006-2010 Newpark Music Center - BA in Music Performance

Extremely demanding course due to level of musicianship expected.
Learnt to be comfortable with constructive criticism, precision working in groups, how to make study and practice a daily habit, respect for authority, humility and self reflection in my own abilities.

2012 Beijing Language Link - CELTA

Professional Experience

Ala House Musician

2014 – 2021

Ala house is a very exclusive music venue in Beijing, China. I learnt a lot about professionalism here. The clientele consisted of a lot of embassy workers, businessmen and celebrities. They were very influential people and it was a great honor to interact with them every week and listen to their life stories.

- Organize bands and rehearsals
- Arranging Pieces
- Playing Double Bass
- Lead team of 3-5 musicians weekly
- Solving disputes between management and musicians
- Paying musicians
- Translating for visiting artists
- Mentoring younger musicians
- Promoting the venue

Beijing Contemporary Music Academy Teacher

2013 – 2018

Third level arts college in Beijing. One of the biggest in China. Very proud to have gotten this job in my early 20's. Such a fantastic opportunity. My proudest moments came late into my time there when I saw students blossom into professional musicians working alongside me and my peers.

- Taught myself Chinese to be able to communicate with students and staff
- Teaching ensemble in the jazz department
- Started a rhythm studies class
- Introduced Double Bass instrumental lessons to the school
- Introduced singers to ensemble class
- Introduced a bass history class
- Translating for visiting teachers
- Help organize and take part in the Guinness record for largest band while at the school.

Other

- I am an avid Board Gamer and enjoy logic puzzles in general
- Speak Mandarin
- Experience working in multi cultural and sensitive environments
- Taking part in hackathons with code institute..
